

THE MARKETING GURU SHARES KEYS TO PROMOTIONAL SUCCESS Sharen Rooks Brings *Marketing Done Right* To Three Major Cities

Acclaimed marketing expert **Sharen Rooks** will offer three compelling marketing training workshops in three key cities, where she will teach participants how to shape their brand, augment their client base, maximize their web presence and benefit from social websites, differentiate between marketing and advertising, and more.

The added components of Q&A discussion and professional networking mixer format enhance each clinic. Participants must bring laptops to Ms. Rooks' training. She demonstrates how to setup your social media and get the maximum results with little or no money. The cost of the workshop is \$85 for two hours of intense marketing training – geared to meet the needs of budding and seasoned professionals. Seating is limited, and pre-registration is required.
